Dear Chairman Wooten:

SUBJECT: Executed Funding Approval/Agreement
FY 2021 Indian Housing Block Grant Program
Grant Number: 55-IT-53-13870

On March 11, 2021, we received an original signed copy of the executed Funding Approval/Agreements, form HUD-52734-B, along with the signed certifications for the subject grant. The grant funds are now in the Line of Credit Control System (LOCCS) and available for use in accordance with the grant requirements. You are now authorized to incur costs against this grant **subject to the completion of applicable environmental review requirements.**

The Indian Housing Plan (IHP) was based on an estimated grant amount. The actual grant amount, as reflected on the Funding Agreement, is \$903,427. The actual grant amount may not be the same as the estimated amount in the IHP. You should revise your internal budgets to reflect this actual amount for budget tracking purposes; however, a revised IHP is not required at this time.

At the end of the year, grantees are required to report on the actual grant amount and expenditures in the Annual Performance Report (APR). IHBG recipients are required to use HUD's internet-based Energy and Performance Information Center (EPIC) for submitting the APR (form HUD 52737).
