Dear Chairman Wooten:

At this point in the Indian Community Development Block Grant (ICDBG) and Indian Housing Block Grant (IHBG) FY 2020 Coronavirus Aid, Relief, and Economic Security (CARES) and FY 2021 American Rescue Plan (ARP) grants' lifecycle, the HUD Office of Native American Programs (ONAP) is assessing project completion, the progress of expenditures, and pandemic grant closeout. This assessment aims to identify grants experiencing progress delays, offer technical assistance to amend and complete the projects, and encourage expeditious expenditure. Please see the attached letter for details.

If you have any questions, or if NwONAP can be of assistance, please contact Sandel Ferguson, Grants Management Specialist, at (206) 220- 6673, or by email at [Sandel.Ferguson@hud.gov](mailto:Sandel.Ferguson@hud.gov).
