Our fees are considered enrollment fees, meaning you are paying for a childcare slot, NOT attendance fees. Fees must be paid whether a child is in attendance or not.

Tuition rates are monthly, regardless of the length of the month or holidays that occur within that month. The only exception to this policy is two days in September for mandatory staff training and a Holiday break in December (please refer to the Parent Handbook for further details). In this case, you will receive an adjusted rate notification at the beginning of September and December.

Tuition fees are due in advance, monthly or semi-monthly per individual agreement with the center. This tuition payment is due by the 1<sup>st</sup> of each month. I understand that payments made after the 1<sup>st</sup> of each month will be subject to a \$10.00 late fee per day; payments are to be made during regular business hours, ending at 5:30 p.m.; at 5:31 p.m., a payment is considered a payment the next business day. If tuition is not paid by the last business day of the month, your childcare slot(s) will be terminated.
